SUMMARY

Rowan Catterall is a creature animator with over a decade of personal experience. She has worked with various clients by commission including the viral short film "Into The Wild" and has a sharply refined sense of time management and responsibility with her work. She dreams of making art on a scale that could inspire the next generation. In her spare time, she enjoys looking after animals of all kinds and crafting needle-felted sculptures.

EXPERIENCE

137Ewes Productions, Remote

June - August 2025

2D Animation Intern

- Worked on a team and solo project, implementing revisions from mentors. Used in-house characters and attended biweekly meetings.

JPJACKSONART LLC, Remote

February 2025

Colorist/Rough Animation Intern

- Provided short-deadline client work with rough animation revisions, coloring, and cleanup animation.

Little Dragon Studios, Remote

January 2021 - 2025

Storyboard Artist, "Into The Wild"

- Provided large amounts of storyboarding for a film project that garnered over 2 million views on YouTube.

Freelance, Remote

2018 - Present

Artist and 2D animator

- Offered art and animation services to online clients, managing payment, revisions, and frequent communication to achieve consistent artistic results.

OTHER EXPERIENCE

Canine Comfort, Ithaca NY

August - November 2021

Dog Daycare Boarding/Staff

- Had responsibility over 40+ dogs at a time, picking up after them, alleviating conflict, and engaging in safe play. Kept track of each individual dog's names, medications, and food needs for boarding care.

EDUCATION

Maryland Institute College of Art, Baltimore MD

Graduates May 2026

Bachelor of Fine Arts, Major in Animation

- Relevant coursework: Animation Thesis I + II, Animation Pre-production, 2D Character Animation, 3D Character Rigging, 3D Computer Animation I.

SKILLS

- Proficient in Adobe Suite, ToonBoom software, TVPaint, and Maya/Blender
- Strong communication skills both written and verbal
- Very tech literate and proficient at debugging common program issues
- Exemplary time management + organizational skills
